Digital image database for free download

Dear ladies and gentlemen,

you can download any image from this **image catalogue** with the **click of the mouse** for free.

Following **registration**, you can choose from **three image qualities**:

1. Original (high resolution)
2. Internet compatible (approx. 900 x 600 px)
3. HD (approx. 1920 x 1080 px)

Please note: Use of the images from our online databank is **permitted solely in the context of** an article about the Region **Wilder Kaiser**. Image use is always associated with the region **Wilder Kaiser**. Commercial use for profit is strictly prohibited!

Please **observe our** copyrights! The author of the image must be cited in every publication without exception.

We will be glad to help you personally. Please get in touch with us.

Yours sincerely
